

**Accessibility -**

Much of the lights display is visible from a fully accessible patio.

- The trails through the display are gravel surfaced.
- Accessible restrooms are located in the Shorts Visitor Center.
- Wheelchairs are not available at the Garden

**Limited Mobility Parking**

The Garden's parking lot, located at 12001 Main St., is reserved for limited mobility drop off and disabled parking. You must have a disabled parking placard to park in this monitored lot.

**From I-405**, take the NE 8th Street exit going east. Turn right on 120th Avenue NE. Go south and along the curvy road 1/2 mile to the first light and turn left onto Main Street. We're up the hill about 3 blocks and on your right.

**Assisted Groups**

If you will be bringing senior citizens or people with limited mobility, please note the following suggestions:

- The ratio of caregiver to your guests should be about 1:5 – please stay with them to ensure their safety.
- There are some steps, inclines, gravel and puddles.
- All visitors should dress for the weather; non-skid shoes are recommended.
- Please allow at least 45 minutes for guests to stroll the garden and soak up the beauty!
- Accessibility Guides available in the Visitor Center or online at <http://www.gardendlights.org/accessibility.pdf>

**Busses -**

Busses may drop passengers off and pick them up in the bus loading zone at 12001 Main St. Only small shuttle busses may park in the Garden's lot.

**From I-405**, take the NE 8th Street East exit, turn right on 120th Avenue. Go south and along the curvy road 1/2 mile to the first light and turn left onto Main Street. The bus loading zone is up the hill about 3 blocks, on your right. Please do not try to enter the Garden's parking lot – there is not enough room for the bus to turn around.

We hope you enjoy your visit!
